

Top Tips for Pets During the Holidays:

Caffeinated items like coffee, tea & sodas should be kept out of reach.

Yeast dough can cause intestinal obstruction & poisoning.

Onions, garlic, grapes, raisins & some mushrooms are toxic for pets.

Nuts such as macadamias & walnuts must always be avoided.

All forms of chocolate are extremely harmful. Baking chocolate can be lethal.

Don't leave pets out in the cold. Know their limits.

Tinsel, electrical cords, lighting & ornaments all pose health dangers.

Be sure your pet has proper id tags in case of escape while visitors arrive.

All candy is dangerous & products containing Xylitol are extremely toxic.

Poinsettias are NOT toxic but many houseplants & flowers like lilies are.
